

Holiday Dream

Solo: If the world could be a peaceful place,
one where ev'ry color, creed and race
could live side by side, hand in hand,
We'd have peace and tranquility through ev'ry land.

Solo: What a grand and glorious sight to see,
ev'ry nation draped in harmony;
Working hand in hand all year through
to make this holiday dream come true.

Ev'ry breath and step you take, think of changes you can make.
All of us must do our share, ev'ry nation ev'rywhere,
To create a world where war would cease
and we'd live in friendship, love and peace,
doing all that we have to do to make our holiday dream come true.
