

## Hawaiian Vacation

Solo: Oh, how I'd like a nice vacation in Hawaii,  
sailing on the sparkling seas of blue.

Lyin' in the sand, workin' on a tan,  
nothin' else that I would rather do.

Solo: Oh, how I'd like a nice vacation in Hawaii,  
basking in the warm Hawaiian sun.

Nothing could be cooler than to learn to do the hula.  
Come on, won't you join me ev'ryone?

Hula to the left, hula to the right.

Swingin' and a swayin', what a glorious sight!

Let your hands do the walkin', your fingers the talkin'.

To ev'ryone you know-a, stop and say "Al-lo-ha."

Oh, how we'd like a nice vacation in Hawaii.

No other place, no ifs or ands or buts.

You'll find us in Hawaii munchin' macadamia nuts!
